Report of Principal and School Improvement Council

Bridgewater Academy is the first and only Charter School in Horry County. Our structured curriculum has always been academically challenging, giving students a strong foundation in the basics and building on skills. We give each child the opportunity to learn, accepting students from a diverse population with the promise that every child will show some growth and improvement each year. Our philosophy is to instill in the students the desire to learn and excel. We do whatever we have to, as educators, to help students achieve, including adding extra school hours and days, a high-content rigorous academic program, flexibility and an emphasis on personal responsibility for the students and accountability by teachers with a no short cuts and no excuses policy.

Bridgewater Academy continues to attain growth and improvement in all areas of the curriculum. Due to the numbers of students tested in certain areas of PACT, our scores can not be calculated to show this growth.

All parents attended a conference with their child's teacher following the California Achievement Tests.

We received recognition by the SC Education Oversight Committee for significantly improving the performance of students from differing economic, racial, and ethnic groups. BWA met 100 percent of its objectives for Adequate Yearly Progress as defined by No Child Left Behind.

Bridgewater Academy has a state of the art Technology Lab and program that all students K-8 participate in.

Our Drama Club put on the musical "Seussical" that was well attended.

Our school participated in the Christian League for sports this year. We had a coed soccer team and girls volleyball team in the fall, and a boys and girls basketball team in the winter that both finished in 2nd place.

Several students were inducted into the National Beta Club. We had students recognized as Junior Scholars. One student received the Governor's Citizenship Award. Our TSA students received 1st place overall out of 26 middle school chapters in SC. BWA has the only Technology chapter in Horry County.

BWA and Horry County have signed a five year contract enabling our school to continue serving students in Horry County with the District as our sponsor. We are privileged to have this opportunity. We thank our parents and students who have been supportive in this effort.
